Renee offered to take posters over to the Courthouse to visit with County staff. To date very few County staff will be attending.

Job Service staff has called several who attended last time to determine if they want to participate in Part II. Also staff has been letting everyone know that a ½ credit is being offered from DCC for \$23.30.

It was suggested we contact the radio station for announcements over the weekend and have open registration at the door. A Television spot will air on the Noon Show on March 19th. Hopefully further registration will occur early next week.

Changes to the brochure for next time should clarify price per person per session.
